

LISTA LUCRĂRILOR ȘTIINȚIFICE PREZENTATE LA CONFERINȚE INTERNAȚIONALE

2002			
Nr. crt.	Comunicarea	Conferința	Autor Institutul...
1	Seismo-acoustics evidences of gases in sedimentary edifices of the paleo-Danube realm	CIESM Workshop Series 17, "Turbidite systems and deep-sea fans of the Mediterranean and the Black Seas", Monaco / 2002	Ion G.* , Lericolais G., Nouzé H., Panin N. * , Ion E. * * INCD GEOECOMAR
2	River Danube – Black Sea geosystem. Birth and development	CIESM Workshop Series 17, "Turbidite systems and deep-sea fans of the Mediterranean and the Black Seas", p: 63-68, Monaco / 2002	Panin N.* , Jipa D. * * INCD GEOECOMAR
3	Architecture and recent sedimentary evolution of the Danube deep-sea fan (Black Sea)	CIESM Workshop Series 17, "Turbidite systems and deep-sea fans of the Mediterranean and the Black Seas", p: 81-84, Monaco / 2002	Popescu I., Lericolais G., Panin N. * , Droz L., Wong H.K., Dinu C. * INCD GEOECOMAR
4	Northwestern Black Sea: Upper Quaternary water level and sedimentation	CIESM Workshop Series 17, "Turbidite systems and deep-sea fans of the Mediterranean and the Black Seas", p: 85-89, Monaco / 2002	Wong H.K., Lüdmann, Panin N. * , Konerding P., Dinu C. * INCD GEOECOMAR
5	The Nile deep-sea fan and its channel-levees system: results from the Prised II and Fanil cruises	CIESM Workshop Series 17, "Turbidite systems and deep-sea fans of the Mediterranean and the Black Seas", p: 49-52, Monaco / 2002	Bellaiche, G., Loncke, L., Gaullier, V., Droz, L., Mascle, J., Courp, T., Moreau, A., Rădan, S. * , Sardou, O. * INCD GEOECOMAR
6	Sedimentation and sediment geochemistry in north-western part of the Black Sea basin – 3.5 Billion Years of Sedimentation	16th International Sedimentological Congress, p. 288 (extended abstract), Johannesburg, South Africa / 2002	Oaie, Gh. * , Secieriu, D. * * INCD GEOECOMAR
7	Campanian-Maastrichtian marine red beds in the Romanian Carpathians	First Meeting of IGCP 463 (Upper Cretaceous oceanic red beds), Volume of the Abstracts p. 33, Ancona / 2002	Melinte M.C. * * INCD GEOECOMAR
8	Calcareous nannofossil markers of the Coniacian/Santonian Boundary Interval – a review	Meeting on the Coniacian/Santonian Boundary, Bilbao, Volume of Abstracts, p: 15-16 / Sept. 2002	Melinte M.C. * , Lamolda M.A. * INCD GEOECOMAR
9	R/V Mare Nigrum – the first Romanian multidisciplinary marine research vessel	ERVO (Meeting Bergen)Norway / 2002	Costea C., Oaie Gh. * * INCD GEOECOMAR
10	The opening of the Romanian RTD programmes in marine sciences	CREST Initiative Dublin (Ireland) / 2002	Oaie Gh. * , Rădan S. *

ANEXA 5.2

			* INCD GEOECOMAR
11	The use of the magnetic susceptibility as a proxy parameter to differentiating submerged sedimentary environments; Applications for lacustrine, fluvial and marine ecosystems	8 th Castle Meeting Paleo, Rock and Environmental Magnetism, Castle of Zahrádky, Czech Republic, Abstracts, p: 52-53 / 2-7 September 2002	Radan S. C., Rădan S. * , Szobotka S. * , Oaie Gh. * * INCD GEOECOMAR
12	State of the Danube riverbed along the Romanian-Bulgarian border: Proceedings	The XXI Conference of the Danubian Countries on the Hydrological Forecasting and Hydrological Bases of Water Management, Bucharest, Romania, p. 21 / 2-6 September 2002	Bondar, C. * , Modev, S., Sava C.S. * * INCD GEOECOMAR
13	Morphological Changes and the Abatement of their Negative Effects on a Selected Part of the Danube River: Objectives, Results and Proposals	The XXI Conference of the Danubian Countries on the Hydrological Forecasting and Hydrological Bases of Water Management, Bucharest, Romania, / 2-6 September 2002	Gutknecht D., Modev S., Bondar C. * , Valev G., Sava C.S. * , Petkovic S. * INCD GEOECOMAR

2003			
Nr. crt.	Comunicarea	Conferința	Autor Institutul...
1	Late Proterozoic-Early Cambrian Terranes in the Basement of Moesia and Surrounding Alpine Belts	Geological Society of America Convention, Abstracts with Programs, Cordilleran Section, USA, vol. 35, nr. 4, p. 11 / 2003	Seghedi A., Oaie Gh. * , Mărunțiu M., Iancu V. * INCD GEOECOMAR
2	Biostratigraphical signals across the Barremian/Aptian boundary interval	Geological Society of America Annual Meeting and Exposition Abstracts, Seattle, USA / 2-5 November 2003	Melinte M.C. * * INCD GEOECOMAR
3	Was the last rapid sea change in the Black Sea linked to a catastrophic event recorded by mankind?	Geological Society of America Annual Meeting and Exposition Abstracts, p. 406, Seattle, USA / 2-5 November 2003	Lericolais G.I., Popescu I., Panin N. * , Guichard F., Popescu S. * INCD GEOECOMAR
4	Turonian-Coniacian red beds in the East Carpathians (Romania)	Meeting of the IGCP463 (Upper Cretaceous Oceanic Red Beds), Volume of abstracts, p: 32-33, Bartin –Turkey / 2003	Jipa D. * , Melinte M.C. * * INCD GEOECOMAR
5	Is the deposition of the CORB related to biostratigraphical significant changes?	Meeting of the IGCP463 (Upper Cretaceous Oceanic Red Beds), Volume of abstracts, p: 26-28, Bartin –Turkey / 2003	Melinte M.C. * * INCD GEOECOMAR
6	An enhanced monitoring methodology of the riverbed morphological changes, applied on the lower course of the Danube River	XXII I.U.G.G. General Assembly, Sapporo, Japan / 2003	Bondar C. * , Sava C. * * INCD GEOECOMAR
7	Western Black Sea shear margin: Regional tectonics as inferred from geological modeling	Workshop on „Tectonic events and evolution of the Black Sea”, MEBE Programme, Kiev, Ukraine / February 18-	Dimitriu R.G. * , Seghedi A.

ANEXA 5.2

		25, 2003	* INCD GEOECOMAR
8	Deep structure of the foreland in the East Carpathian bend zone and the geological evolution of the Danube Delta basement	Workshop on „Tectonic events and evolution of the Black Sea”, MEBE Programme, Kiev, Ukraine / February 18-25, 2003	Dimitriu R.G. * , Seghedi A. Oaie Gh. * , Ioane D. * INCD GEOECOMAR
9	The Danube – a major waterway of the Europe	European Centre of Excellence for Environmental and Geo-ecological studies, Murighiol, Romania / 2003	Oaie Gh. * * INCD GEOECOMAR
10	Last Rapid Flooding in the Black-Sea -	IGCP 464 “Rapid transgressions into semi-enclosed basins”, 39, Gdansk / Poland / 2003	Lericolais G., Popescu I., Panin N. * , Ryan W. B. F., Guichard F. * INCD GEOECOMAR
11	The Danube deep-sea fan functioning in a freshwater environment during LGM.	IGCP464 "Continental shelves during the last glacial cycle", annual conference, Wollongong (Au), 41 / 2003	Lericolais G., Popescu I., Panin N. * , Le Drezen E., Nouzé H., Gillet H., Garfield T. R. * INCD GEOECOMAR
12	The Black Sea as a record of the younger Dryas climate change.	IGCP464 "Continental shelves during the last glacial cycle", annual conference, Wollongong (Au), 42 / 2003	Lericolais G., Panin N. * , Guichard F., Popescu I. et crew * INCD GEOECOMAR
13	Les variations du niveau marin en Mer Noire depuis le dernier maximun glaciaire.	9ème Congrès Français de Sédimentologie, 38 (Livre des résumés), 305-306, Bordeaux, France / 2003	Lericolais G., Panin N. * , Popescu I., Guichard F. * INCD GEOECOMAR
14	La mise en place de l'éventail profond du Danube en milieu lacustre	9ème Congrès Français de Sédimentologie, 38 (Livre des résumés), 307, Bordeaux, France / 2003	Lericolais G., Popescu I., Panin N. * , Le Drezen E., Nouze H., Gillet H., Garfield T. R. * INCD GEOECOMAR
15	Architecture et fonctionnement du système canyon du Danube-chenal du Danube (Mer Noire)	9ème Congrès Français de Sédimentologie, 38 (Livre des résumés), 412, Bordeaux, France / 2003	Popescu I., Lericolais G., Panin,N. * , Normand A. * INCD GEOECOMAR
16	Could the last rapid sea level rise of the Black Sea evidence by oceanographic surveys have been interpreted by Mankind?	CIESM Workshop series, Fira, Santorini, Grece, 44-53 / 2003	Lericolais G., Popescu I., Panin N. * , Guichard F., Popescu I., Manolakakis L. * INCD GEOECOMAR
17	Characteristics of the gas-charged sediments in the north-western Black Sea	Ocean Margin Conference, Paris, France / 2003	Popescu I., De Batist M., Lericolais G., Panin N. * * INCD GEOECOMAR

ANEXA 5.2

2004			
Nr. crt.	Comunicarea	Conferința	Autor Institutul...
1	Paleozoic formations in North Dobrogea: sedimentation, deformation and metamorphism	Avalonia – Moesia Symposium & Workshop, p: 1 – 3, Ghent (Belgium) / 2004	Seghedi A., Oaie Gh. * , Vaida M., Debacker T. N., Sintubin M. * INCD GEOECOMAR
2	Sedimentology and source areas for the Neoproterozoic - Lower Cambrian turbidites from East Moesia	Avalonia – Moesia Symposium & Workshop, p: 23 – 24, Ghent (Belgium) / 2004	Oaie Gh. * , Seghedi A., Rădan S. * , Vaida M. * INCD GEOECOMAR
3	Magnetic susceptibility identification of environmental impact of the anthropogenic activities in aquatic ecosystems. A case study in the Danube Delta (Romania)	9 th Castle Meeting, Palaeo, Rock and Environmental Magnetism, , Contributions to Geophysics and Geodesy, vol. 34, Special issue, p: 114 - 116, Tatranská Javorina, Slovak Republic / June 27 – July 3, 2004	Rădan S.C., Rădan S. * * INCD GEOECOMAR
4	Magnetic susceptibility as a sensitive proxy parameter for differentiating deltaic (lacustrine and fluvial) sedimentary environments; inferences from the Danube Delta (Romania)	9 th Castle Meeting, Palaeo, Rock and Environmental Magnetism, , Contributions to Geophysics and Geodesy, vol. 34, Special issue, p: 117 - 119, Tatranská Javorina, Slovak Republic / June 27 – July 3, 2004	Rădan S.C., Rădan S. * , Oaie Gh. * , Szobotka Ș. * * INCD GEOECOMAR
5	Chronology of Metal Pollution Offshore Coruh Mouth, Eastern Black Sea	Aquatic Forum 2004, Monaco	Secrieru, D. * , Gulin, S., Osvath, I. * INCD GEOECOMAR
6	Echinoid levels and ages of Betic Cordillera (S and SE Spain)	Meeting of the Spanish Palaeontological Society, Volume of abstracts, p: 12-13, Granada / 2004	Galleme J., Melinte M.C. * * INCD GEOECOMAR
7	Integrated micropaleontological study of the Chuangde section, Southern Tibet	Symposium of the Geology of Asia, Volume of Abstracts, p: 6-9 Hanoi / 2004	Lamolda M., Melinte M.C. * , Wan X. * INCD GEOECOMAR
8	Euro-EcoGeoCentre Romania	EUROCEAN 2004, European Conference, Marine Science & Ocean Technology, Abstract book, p: 116-117, Galway, Ireland / May 10-13, 2004	Panin N. * * INCD GEOECOMAR
9	Holocene Black Sea sedimentary system – ASSEMBLAGE	EUROCEAN 2004, European Conference, Marine Science & Ocean Technology, Abstract book, p: 143-144, Galway, Ireland / May 10-13, 2004	Lericolais G., Popescu S., Guichard F., Wong H.K., Panin N. * , Dinu C., Dimitrov P., Stanev E., Staneva J., Martinez-Ruiz F., Morigi C. * INCD GEOECOMAR
10	Questions on the sea level fluctuations in the Black Sea since the Last Glacial Maximum ASSEMBLAGE Project	Fourth International Congress on Environmental Micropalaeontology, Microbiology and Meiobenthology, Program and Extended Abstracts, p. 123, Isparta, Turkey / September 13-18, 2004	Lericolais G., Popescu I., Panin N. * , Guichard F. * INCD GEOECOMAR

ANEXA 5.2

11	Proposal for a sustainable shoreline management	Proceedings of the China-Italy Bilateral Seminar on Monitoring and management of coastal areas in relation to natural and man induced environment impact, climate change and mean sea level variations, TR ISMAR-Ve No. 126/2004, p. 17, Qingdao (China) / June 28- July 2, 2004,	Stănică A. * , Bonardi M. * INCD GEOECOMAR
12	Identification of most acceptable methods for the environmental rehabilitation of the Guanabara Bay (Brasil)	Proceedings of the China-Italy Bilateral Seminar on Monitoring and management of coastal areas in relation to natural and man induced environment impact, climate change and mean sea level variations, TR ISMAR-Ve No. 126/2004, p. 55-56, Qingdao (China) / June 28- July 2, 2004,	Stănică A. * , Bonardi M. * INCD GEOECOMAR
13	Emissions de gaz à effet de serre dans le Delta du Danube	Les séminaires de l'UMR 6143 à CAEN – Institut de Morphodynamique continentale et cotière, Caen France / 17 – 31 Mars 2004	Rădan S. * * INCD GEOECOMAR
14	Le géosystème hydrosédimentaire Danube – Delta du Danube – Mer Noire. Genèse, évolution, influences anthropique	Conférence à l'Université de Perpignan – Laboratoire d'Etude des Géo-Environnements Marins / 17 – 31 Mars 2004	Rădan S. * * INCD GEOECOMAR
15	Sédimentation argileuse actuelle dans le hydrosystème Danube – Delta du Danube – Mer Noire	Les séminaires de l'UMR 6143 à CAEN – Institut de Morphodynamique continentale et cotière, Caen France / 17 – 31 Mars 2004	Rădan S. * * INCD GEOECOMAR
16	Delta du Danube – impact des apports fluviaux sur l'évolution des écosystèmes aquatiques. Évaluation des influences sur la qualité des milieux aquatiques sédimentaires et biologiques	Les séminaires de l'UMR 6143 à CAEN – Institut de Morphodynamique continentale et cotière, Caen France / 17 – 31 Mars 2004	Rădan S. * * INCD GEOECOMAR
17	Fossils response to paleoenvironmental change in Danube Delta	Varna Workshop, Varna, Bulgaria / 23 - 26 October 2004,	Stoica M., Ungureanu V.Gh., Rădan S. * * INCD GEOECOMAR
18	Carbon Isotope Ratio in Black Sea Sediments: Geochemical and Geochronological Aspects	Varna Workshop, Varna, Bulgaria / 23 - 26 October 2004,	Strechie C. * , Fontugne M., Guichard F. * INCD GEOECOMAR
19	Magnetic properties of NW Black Sea sediments : results of BLASON II cruise	Varna Workshop, Varna, Bulgaria / 23 - 26 October 2004,	Jelinowska, A. Louchet, Strechie C. , Meynadier L., Guichard F., Tucholka P. * INCD GEOECOMAR
20	Chronology of Metal Pollution Offshore Coruh Mouth, Eastern Black Sea	International Conference on Isotopes in Environmental Studies - Aquatic Forum 2004, Book of Extended Synopses, p: 608-609, IAEA-CN-118, Vienna / 2004	Secrieru D. * , Gulin S., Osvath I. * INCD GEOECOMAR
21	Sinteza rezultatelor obtinute din cercetarile efectuate de Romania pentru cunoasterea regimului valurilor si evaluarea potentialului	Simpozion international "Energii regenerabile si dezvoltarea durabila" organizat de Asociatia Balcanica de Mediu (BENA), Tulcea, Romania / 23-25	Bondar C. * * INCD GEOECOMAR

ANEXA 5.2

	lor de putere si energie bruta in zona litoralului romanesc	Septembrie 2004	
22	The state and tendency of the hydromorphological processes of the Danube and Danube Delta	Euro-EcoGeoCentre – Romania – Workshop 1: “Environmental problems of the Lower Danube, including the Danube Delta, and new ideas for an Integrated Observing and Forecasting System in the Lower Danube, Danube Delta and the Black Sea”, Abstracts volume , Bucharest, Romania / 19-22 January 2004	Bondar C. * * INCD GEOECOMAR
23	An integrated geo-ecological study of the Razelm-Sinoe Lagoon System	Euro-EcoGeoCentre – Romania – Workshop 1: “Environmental problems of the Lower Danube, including the Danube Delta, and new ideas for an Integrated Observing and Forecasting System in the Lower Danube, Danube Delta and the Black Sea”, Abstracts volume , Bucharest, Romania / 19-22 January 2004	Dimitriu R. * * INCD GEOECOMAR
24	General presentation of the main issues regarding the sustainable management of the Danube River	Euro-EcoGeoCentre – Romania – Workshop 1: “Environmental problems of the Lower Danube, including the Danube Delta, and new ideas for an Integrated Observing and Forecasting System in the Lower Danube, Danube Delta and the Black Sea”, Abstracts volume , Bucharest, Romania / 19-22 January 2004	Oaie Gh. * * INCD GEOECOMAR
25	The evolution of clay mineral associations in the sediments of the Danube – Danube Delta – Black Sea geosystem	Euro-EcoGeoCentre – Romania – Workshop 1: “Environmental problems of the Lower Danube, including the Danube Delta, and new ideas for an Integrated Observing and Forecasting System in the Lower Danube, Danube Delta and the Black Sea”, Abstracts volume , Bucharest, Romania / 19-22 January 2004	Rădan S. * * INCD GEOECOMAR
26	Bathymetrical and sedimentological research along the Romanian section of the Danube River	Euro-EcoGeoCentre – Romania – Workshop 1: “Environmental problems of the Lower Danube, including the Danube Delta, and new ideas for an Integrated Observing and Forecasting System in the Lower Danube, Danube Delta and the Black Sea”, Abstracts volume , Bucharest, Romania / 19-22 January 2004	Szobotka Ș. * * INCD GEOECOMAR
27	Geochemical and sedimentological characteristics of the NW Black Sea Shelf	Euro-EcoGeoCentre – Romania – Symposium 1: “The Pollutant Influxes into the semi-enclosed marine basins – Comparison between the European River–Seas Systems of the Baltic Sea, the Mediterranean Sea and Black Sea”, Abstracts volume, Bucharest, Romania / 22-24 April 2004	Secrieru D. *, Oaie Gh. * * INCD GEOECOMAR
28	Some results of the studies carried out on the effect of thermal discharge from NPP Cernavoda on	Euro-EcoGeoCentre – Romania – Symposium 1: “The Pollutant Influxes into the semi-enclosed marine basins –	Dincă, D., Stobie, V., Zaharia, D., Secrieru D. * , Gomoiu, M.T. *

ANEXA 5.2

	the Danube River ecosystem – zone of influence	Comparison between the European River–Seas Systems of the Baltic Sea, the Mediterranean Sea and Black Sea”, Abstracts volume, Bucharest, Romania / 22-24 April 2004	* INCD GEOECOMAR
29	Study on morphological changes in a riverbed pilot reach of the Lower Danube	Euro-EcoGeoCentre – Romania – Symposium 1: “The Pollutant Influxes into the semi-enclosed marine basins – Comparison between the European River–Seas Systems of the Baltic Sea, the Mediterranean Sea and Black Sea”, Abstracts volume, Bucharest, Romania / 22-24 April 2004	Bondar C. *, Sava C. * * INCD GEOECOMAR
30	The River Danube – Black Sea Geosystem. Birth and development. Hydrologic and sedimentologic characteristics	Euro-EcoGeoCentre – Romania – Symposium 1: “The Pollutant Influxes into the semi-enclosed marine basins – Comparison between the European River–Seas Systems of the Baltic Sea, the Mediterranean Sea and Black Sea”, Abstracts volume, Buchares, Romania / 22-24 April 2004	Panin N. *, Bondar C. *, Jipa D. * * INCD GEOECOMAR
31	Trends in Pollutant Inflow and Dispersal in Danube Delta – Effects on Aquatic Ecosystem Quality	Euro-EcoGeoCentre – Romania – Symposium 1: “The Pollutant Influxes into the semi-enclosed marine basins – Comparison between the European River–Seas Systems of the Baltic Sea, the Mediterranean Sea and Black Sea”, Abstracts volume, Bucharest, Romania / 22-24 April 2004	Rădan S*, Ganciu A., Strechie C., Grosu A., Berghes F., Rădan S.C., Secrieru D. *, Bălan S. *, Grosu D. * * INCD GEOECOMAR
32	Environmental risk assessment from hydrocarbon contamination in the coastal zone: Case study – OIL Terminal S.A. – Constanța Area	Euro-EcoGeoCentre – Romania– Workshop 2 – "Environmental disequilibria in the NW Black Sea coastal system: causes, consequences, correctives", Abstracts volume, Danube Delta, Romania / 25-29 August 2004	Angheluță C., Jipa D. * * INCD GEOECOMAR
33	The possible influence of the Bystroe Canal on the Danube Delta hydrology	Euro-EcoGeoCentre – Romania– Workshop 2 – "Environmental disequilibria in the NW Black Sea coastal system: causes, consequences, correctives", Abstracts volume, Danube Delta, Romania / 25-29 August 2004	Bondar C. * * INCD GEOECOMAR
34	The Danube Delta and the coastal zone – Evolution and environmental changes	Euro-EcoGeoCentre – Romania– Workshop 2 – "Environmental disequilibria in the NW Black Sea coastal system: causes, consequences, correctives", Abstracts volume, Danube Delta, Romania / 25-29 August 2004	Panin N. *, Bondar C. *, Stănică A. *, Dan S. * * INCD GEOECOMAR
35	Emissions of greenhouse gases in the Danube Delta	Euro-EcoGeoCentre – Romania– Workshop 2 – "Environmental disequilibria in the NW Black Sea coastal system: causes, consequences, correctives", Abstracts volume, Danube Delta, Romania / 25-29 August 2004	Rădan S. *, Ganciu A., Olariu C., Pavel A. *, Klaver G. * INCD GEOECOMAR

ANEXA 5.2

36	Complex researches for the coastal protection against erosional phenomena in order to provide the basis for the Integrated Coastal Zone Management. Case Study: Cape Midia – Cape Singol Constanta (Navodari and Mamaia beaches)	Simpozionul Internațional "Black Sea Coastal – Air – Sea Interaction / Phenomena and Related Impacts and Application", Mamaia , Romania / 13 – 15 Mai 2004	Panin N. *, Stănică A. *, Bondar C. *, Fulga C. *, Dan S. *, Maximov G. * , Ungureanu Ghe., Simescu Ctin., Simescu D., Constantinescu M. * INCD GEOECOMAR
37	Dual energy and radiographical investigation of sedimentary cores and some methamorphic rocks samples	32-nd International Geological Congress, Florence, Italy / 20-28 August 2004	Iovea M., Oaie Gh. * , Neagu M., Ricman C., Mateiași G., Szobotka St. * Dulu O. * INCD GEOECOMAR
38	Geosites from Romania under threat of anthropic activities,	32-nd International Geological Congress, Florence, Italy / 20-28 August 2004	Oaie Gh. * , Seghedi A., Brustur T. * , Gheuca I. * INCD GEOECOMAR
39	Tracing Black Sea level since the Last Glacial Maximum	32-nd International Geological Congress, Florence, Italy / 20-28 August 2004	Strechie C. * , Jelinowska A, Colin C, Guichard F, Tucholka P,Fontugne M, Lericolais G, Panin N. * * INCD GEOECOMAR
40	Sedimentological and geochemical characteristics of the Danube Delta front and Danube prodelta	32-nd International Geological Congress, Florence, Italy / 20-28 August 2004	Oaie Gh. * , Secieru D. * * INCD GEOECOMAR
41	Neoproterozoic evolution of the Moesian crust	32-nd International Geological Congress, Florence, Italy / 20-28 August 2004	Seghedi A., Oaie Gh. * * INCD GEOECOMAR
42	Timing and rates of deposition of Cretaceous Oceanic Beds	32-nd International Geological Congress, Florence, Italy / 20-28 August 2004	Scott R., Hu X., Malata E., Melinte M.C. * , Scherbinina E., Wagrecih M. * INCD GEOECOMAR
43	Arid and humid climates during the Cenomanian-Maastrichtian interval in the Romanian Carpathians	32-nd International Geological Congress, Florence, Italy / 20-28 August 2004	Melinte M.C. * , Jipa D. * * INCD GEOECOMAR
44	Rapid transgressions into semi-enclosed basins since the last glacial maximum	32-nd International Geological Congress, Florence, Italy / 20-28 August 2004	Lericolais G., Chivas A. R., Chiocci F.L., Uscinowicz S., Bo J.J., Lemke W., Violante R., Panin N. * * INCD GEOECOMAR
45	Was the last rapid sea change in the Black sea linked to a catastrophic event 7500 years ago?	32-nd International Geological Congress, Session 257 – G03.03, Abstract., p. 208, Florence, Italy / 20-28 August 2004	Lericolais G., Popescu I., Panin N* , Guichard F., Popescu S.-M. * INCD GEOECOMAR
46	Submarine Canyon Evolution and Controls in the NW Black Sea: Evidence from the Danube Canyon	International Symposium on Earth System, Istanbul, Turkey / 8-10 sept. 2004	Popescu I, Lericolais G, De Batist M, Panin N. *

ANEXA 5.2

			* INCD GEOECOMAR
47	Questions on the sea level fluctuations in the Black Sea since the Last Glacial Maximum ASSEMBLAGE Project	International Symposium on Earth System, Istanbul, Turkey / 8-10 sept. 2004	Lericolais G., Popescu I., Panin N. * , Guichard F. * INCD GEOECOMAR
48	Evidence from recent oceanographic surveys of a last rapid sea level rise of the Black sea. in "Human record of recent geological evolution in the Mediterranean basin-historical and archeological evidence"	CIESM Workshop Monograph, 24, 109-117 / 2004	Lericolais G., Popescu I., Panin N. * , Guichard F., Popescu S.-M., Manolakakis L. * INCD GEOECOMAR
49	Assesment of gas-bearing sediments in the north-western Black Sea: preliminary results	International conference "Methane seepage, mud volcanoes and gas hydrates in the Black Sea", Abstracts, p. 25, Kiel, Germany / February 2004	Popescu I., De Batist M., Lericolais G., Panin N. * * INCD GEOECOMAR
50	Gas and hydrate occurrences in the western Black Sea.	European Geosciences Union 1st General Assembly, Abstract in, Geophysical Research abstracts, 6, 04652, Nice, France / 25-30 April 2004	Popescu I., De Batist M., Lericolais G., Panin N. * * INCD GEOECOMAR
51	Origin of clays from northwestern Black Sea sediments: relationship with climate	European Geosciences Union 1st General Assembly, Abstract in, Geophysical Research abstracts, 6, 07850, Nice, France / 25-30 April 2004	Strechie C. * , Jelinowska A., Colin C., Guichard F., Tucholka P., Lericolais G., Fontugne M., Panin N. * * INCD GEOECOMAR
52	Was the last rapid sea change in the Black Sea linked to a catastrophic event 7500 years ago?.	IGCP464 4th Annual Conference, , Roma and Ponza Island, Italy / 28 august - 3 september 2004	Lericolais G., Popescu I., Panin N. * , Guichard F., Popescu S.-M. * INCD GEOECOMAR
53	First indicators to a particular sea level fluctuations recorded by the Black Sea since the last glacial maximum.	ASSEMBLAGE first workshop, Abstract, 7, ISBN 954-579-386-4, Varna, Bulgaria / 23-26 october 2004	Lericolais G., Popescu I., Panin N. * , Guichard F. * INCD GEOECOMAR
54	Gas hydrates in the northwestern Black Sea	ASSEMBLAGE first workshop, Abstract, p. 12-13, ISBN 954-579-386-4, Varna, Bulgaria / 23-26 october 2004	Lüdmann T., P. Konerding, H. K. Wong, C., Dinu V. Ungureanu N., Panin N. * , Ion G. * * INCD GEOECOMAR

2005			
Nr. crt.	Comunicarea	Conferința	Autor Institutul...
1	New approaches in the assesment of the Black Sea ecosystems	EC/Joint Research Centre /Black Sea Commission/ Helsinki Commission, Joint Workshop on Marine Assessment and Monitoring with emphasis on eutrophication, p: 20 – 26, Istanbul,	Gomoiu M.T. * * INCD GEOECOMAR

ANEXA 5.2

		Turkey / 2005	
2	Single and dual-energy X-ray computer tomography and digital radiography study of sedimentary cores	MEDCOAST 05, Kuşadası ,Turkey / 2005	Iovea M., Oaie Gh. * , Duliu O.G., Bodale M., Mateiasi G. , Neagu M. * INCD GEOECOMAR
3	Romanian Marine RT&D priorities	EUROCEAN – EXHIBITION ESF.CREST, Galway, Ireland / 2005	Oaie Gh. * * INCD GEOECOMAR
