

## GUIDE FOR AUTHORS

*GEO-ECO-MARINA*, the journal of Romania's National Institute of Marine Geology and Geo-ecology (*GeoecoMar*) welcomes and publishes original scientific contributions within marine geological and geo-ecological field.

**Peer-review:** Only contributions presenting concisely and clearly new information shall be accepted. All contributions are peer-reviewed. Peer-reviewers know the name of the authors and may opt to remain anonymous.

### **Manuscripts:**

- in Microsoft Word
- in English (either British or American usage) or French
- with **abstracts** of 200 - 250 words, in English, briefly presenting the main results and conclusions (not a mere list containing the topics tackled)

### **Key words:**

- maximum 10
- ordered from general to specific

### **References:**

- listed alphabetically and chronologically for the authors with more than one reference.

### **Figures:**

- TIFF images retaining full quality at 300 dpi
- numbered and submitted separately
- CorelDRAW files on condition that text is converted into curves, before sending

### **Photographic illustrations:**

- high quality
- grouped into plates. Each plate should have the photos numbered (*i.e.* Pl. I, Fig. 1; Pl. II, Fig. 1).

### **Tables:**

- numbered (Arabic figures) and titled.

### **Equations:**

- sent in editable format (Equation Editor/Microsoft Word).
