

Invitation to submit your paper to GEO-ECO-MARINA Journal

You are invited to submit your paper or special issue proposal within the scope of GEO-ECO-MARINA Journal.

GEO-ECO-MARINA is the yearly scientific journal published by GeoEcoMar (Romania's National Institute of Marine Geology and Geo-ecology, based in Bucharest, with branch-offices and laboratories in Constanta, on the Black Sea shore). Apart from articles focused on the Danube – Danube Delta - Black Sea macro-system, research on other river-sea systems of the world, modern or ancient, is welcomed.

GEO-ECO-MARINA is an open access journal with free colour on the web and in print.

GEO-ECO-MARINA no.22 deadline is: **September 1st, 2016**

All papers will be peer-reviewed.

GEO-ECO-MARINA no. 22 will be e-published and printed in 2016.

The PDF version of the article, 20 complimentary offprints and 2 printed copies of the journal are offered to each author team.

Please, send your articles to: cristina.poenaru@geoecomar.ro

For further instructions, please visit our homepage at:
